

# Internal Posting for uses at Cedar Hill Corner for UVic faculty and staff

---

## Introduction

The University of Victoria's Cedar Hill Corner Property is a 40.33 acre undeveloped parcel located at the southeast side of the campus adjacent to Cedar Hill Cross Road.

The 2016 UVic Campus Plan identifies Cedar Hill Corner as a future development site and an area where temporary uses should support the university's academic mission.

A new property management approach has been developed for Cedar Hill Corner to allow approved temporary uses on the property that support the vision, values and strategic objectives of the university. Temporary use agreements shall be short term in nature (generally 3-5 years).

## Timeline and inquiries

The first intake for new university uses will close on **October 15 2021**.

Before submitting a proposal, please review the Temporary Use Criteria below.

For questions or inquiries please contact Juliet Van Vliet, Campus Planner at 250-853-3754 or [planning@uvic.ca](mailto:planning@uvic.ca)

For one time uses or periodic uses of Cedar Hill Corner by faculty and staff please send requests through [outdoorbookings@uvic.ca](mailto:outdoorbookings@uvic.ca).

## Temporary use criteria

Temporary uses are generally short term in nature (one research funding cycle, and no later than the year 2030), have low impact to the land, and support the academic mission of the university. The temporary use criteria identified below will guide the review, approval and management of future temporary uses at Cedar Hill Corner.

1. The activity or use supports the academic mission and the Strategic Framework of the university and is inconsistent with Campus Plan directions;
2. The activity or use is temporary in nature, in that it will allow for the university's future development in the property including academic expansion, housing, sports and recreational facilities and any special opportunity uses that may arise;
3. The activity or use will not adversely impact the current university uses of the property;
4. The land area devoted to the activity or use is only the minimum necessary to support the activity;
5. The activity or use will have no adverse environmental effects on the property or surrounding properties resulting from noise, vibration, discharges, air pollution, glare and odour, unless such impacts can be mitigated in a manner that meets university standards;
6. Visual impacts are minimized;
7. Any storm water drainage impacts are addressed in accordance with the direction provided in the University of Victoria Integrated Stormwater Management Plan;
8. New vehicle or pedestrian traffic movements are created will not conflict with existing temporary uses;
9. The activity or use does not directly or indirectly contribute to environmental degradation of the upper Hobbs Creek forested area at the west edge of the parcel;
10. Compliance with applicable District of Oak Bay regulations and requirements can be achieved;
11. Any temporary buildings or structures should be compact in form with simple, efficient designs;
12. The activity or use should be of a nature that allows for the costs and arrangements that may be ultimately required to dismantle or remove the use from the parcel to be minimized;
13. The activity or use is not suitable in other areas of campus;
14. The activity or use is respectful of neighbours;
15. Funding to support the new activity or use includes the resources and cost to dismantle and/or remove the use; and
16. Annual reports on the use will be submitted to the Office of Campus Planning and Sustainability.

**Form**

Please fill out this form and submit it to [planning@uvic.ca](mailto:planning@uvic.ca) by October 15, 2021.

**Project Title:** \_\_\_\_\_

\_\_\_\_\_

**Name:** \_\_\_\_\_

**Position:** \_\_\_\_\_

**Faculty:** \_\_\_\_\_

**Department:** \_\_\_\_\_

**e-mail address:** \_\_\_\_\_

**phone:** \_\_\_\_\_

**Program/Project Overview:**

**Program lead support and other partners:**

**Size and parameters of lands required to support the project or activity (in m<sup>2</sup>):**

**Project timeline:**

**University  
of Victoria**

Campus Planning  
& Sustainability

**Servicing required for the lands (water, sewer, internet, electricity, fencing, structures, roads and/or pedestrian access and any other requirements):**

**Funding identified (not required):**

**Plans for decommissioning the temporary project use before 2030:**

**Impacts to the community or environment and mitigations as required:**

**University  
of Victoria**

Campus Planning  
& Sustainability

**Please explain how the proposal meets the University Strategic Plan and/or Campus Plan directions:**

**Other considerations:**
