

# Welcome to the Faculty of Engineering and Computer Science

We acknowledge and respect  
the ləkʷəŋən peoples on whose traditional  
territory the university stands and the  
Songhees, Esquimalt and W̱SÁNEĆ peoples  
whose historical relationships with the land  
continue to this day.

# The Dean's Welcome

**Dr. Mina Hoorfar**

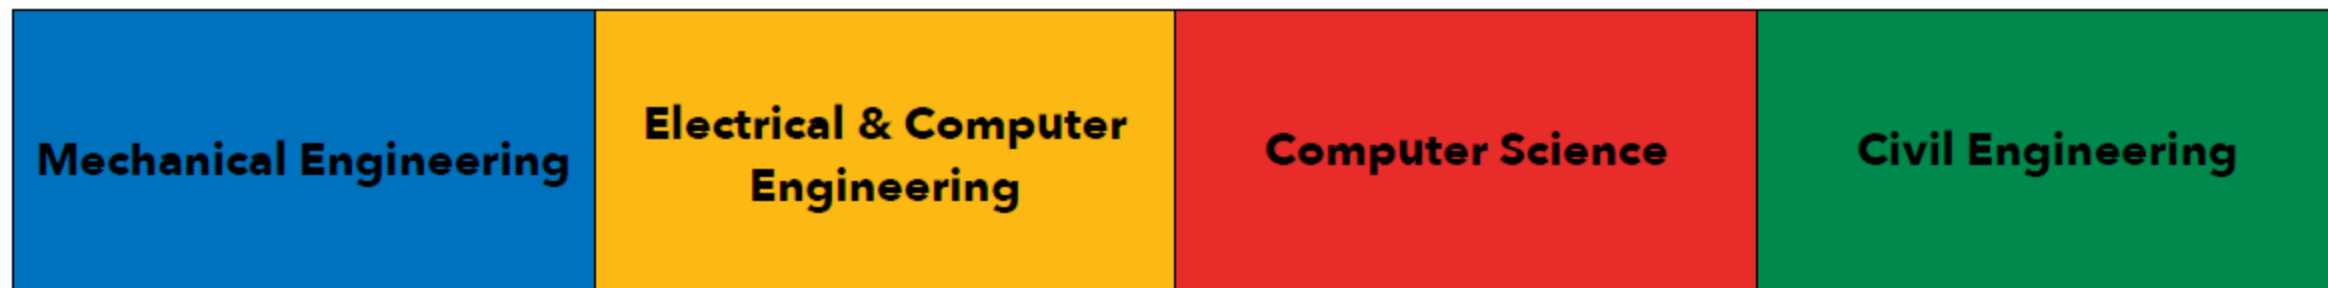

New Student Welcome 2024

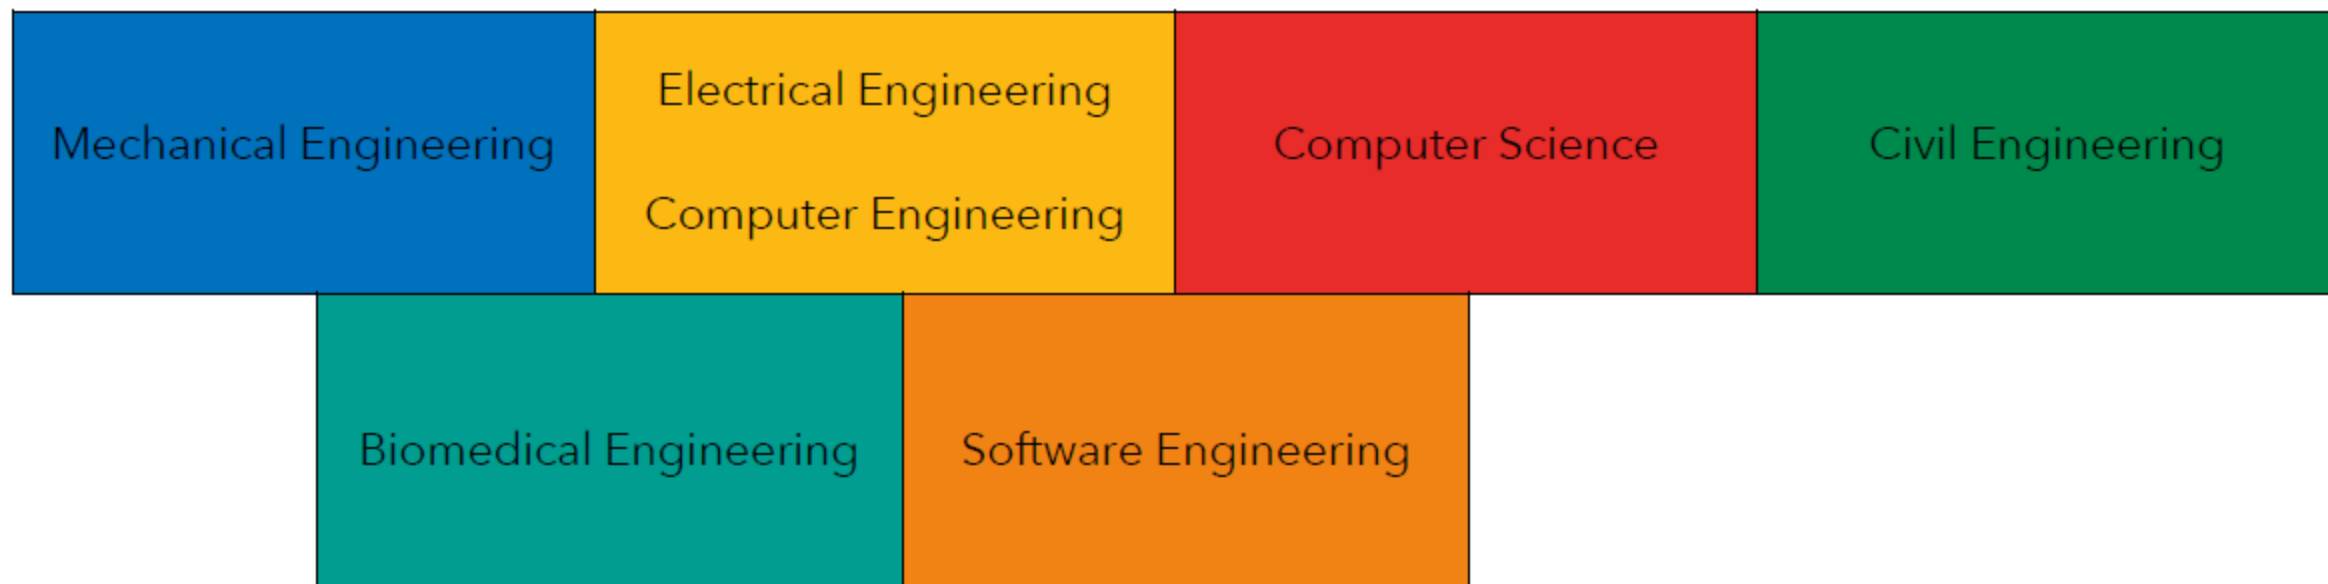

# UVic Engineering and Computer Science

## 4 DEPARTMENTS

## 7 PROGRAM AREAS

# Introductions:

Dr. Kevin Stanley: Chair, Computer Science

Dr. Thomas Froese: Chair, Civil Engineering

Dr. Michael McGuire: Chair, Electrical & Computer Engineering

Dr. Brad Buckham: Chair, Mechanical Engineering

Dr. Mohsen Akbari: Director, Biomedical Engineering

Dr. Stephen Neville: Director, Software Engineering

Co-op: Meeta Khurana: Associate Director, Co-op & Career

Assistant Dean: Jessica Vandenberghe

# Faculty of Engineering and Computer Science

New Student Welcome 2024

**LillAnne Jackson**  
**Associate Dean, Undergraduate**

# In all our degrees:

- technical knowledge
- hands-on skills
- problem solving skills
- design skills

# Every degree emphasizes:

- effective communication
- individual & team work
- societal impacts & sustainability
- prioritize:
  - professionalism
  - making ethical choices, and
  - equity

# Professional Faculty

Code of Ethics:

- Engineers & Geoscientists of BC (EGBC)
  - <https://www.egbc.ca/Code-of-Ethics>
- Association for Computing Machinery (ACM)
  - <https://www.acm.org/code-of-ethics>

truth

honesty

trustworthiness

safeguard human life

safeguard the environment

# Professionalism at UVIC

- UVIC Academic Integrity
  - <https://www.uvic.ca/students/academics/academic-integrity/index.php>
- Faculty Standards of Professional Behaviour
  - [https://www.uvic.ca/ecs/\\_assets/docs/student-forms/professional-behaviour.pdf](https://www.uvic.ca/ecs/_assets/docs/student-forms/professional-behaviour.pdf)

# Program & Course Legal Definitions

- UVIC Academic Calendar:  
<http://www.uvic.ca/calendar/undergrad>
- Course Outlines: [CSC 110](#)      [CSC 111](#)

# Learning

**High School**

**≠**

**University**

# What's different in university?

## Hours in Class

- Less class
- More independent study

## Grading

- Less frequent; worth more
- Expected vs. required work

## Learning type

- Deeper
- Connect and extend vs. memorize

## Independence

- You choose
- Self-check

# What do professors expect?

Engagement - be there and do the work

Workload expectations – the 2:1 (or 3:1 ?) rule

Read outline: pay attention to instructions, purpose and context

Break tasks down and prioritize

Take advantage of instructor availability

# Other Life Activities . . .

## Working while Studying:

- I will not be working
- I will work part-time (< 20 hours/week)
- My work will approach full-time ( $\geq$  20 hours/week)

# You decide . . .

## 168 HOURS IN WEEK

- 23 -- in class
- 2 x 23 -- study: 2 hours (min) per class hour
- 7 x 7 -- sleeping (min)
- 21 x 1 -- meals
- 7 x 2 -- exercise, shower, dress, transportation
- 7 x 2 -- email, phone, social media, etc.

TIME FOR WORK = 1 hour

**Which grade you receive!**

# Exercise and Socializing

## Critical for your academic success:

- physical health: exercise, nutrition ...
- social interaction: social media, family connection ...
- alcohol, cannabis, other substances??

- It affects your academics
- Keep it legal! . . . And Stay Safe!

# This is a big year of transitions ...

- Set goals that work for you
- Make choices that feel right for you
- Communicate with important people

Welcome!

# Math & Stats Assistance Centre

Elliot 165 (Betty & Gilbert Kennedy MSAC)

Library 129 (Learning Commons)

Open study space:  
9:30am – 4:30pm Mon-Fri

Tutors available:  
11:30am – 1:30pm Mon, Thur  
9:30am – 1:30pm Tue, Wed, Fri

**Elliot 165 (Betty & Gilbert Kennedy MSAC)**

Tutors available:  
2:30pm – 6:30pm Mon-Fri  
12:30pm – 6:30pm Sun

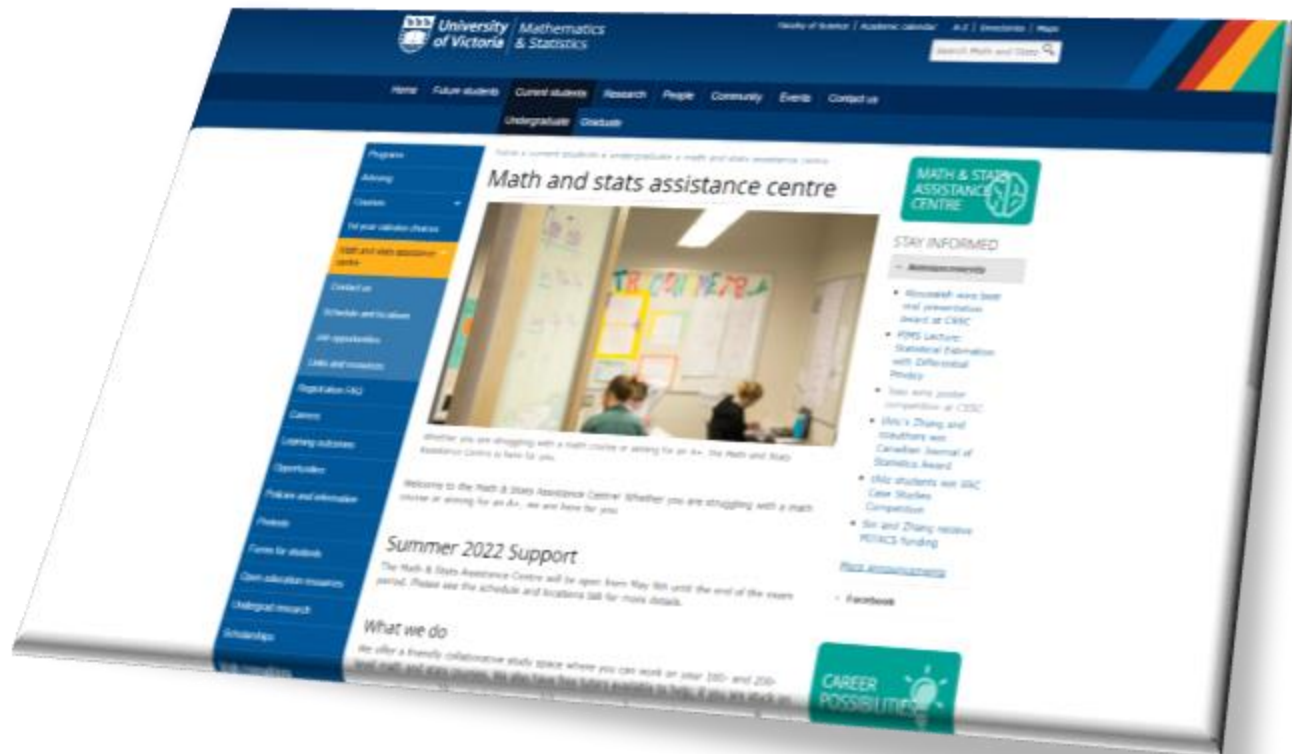

**Library 129 (Learning Commons)**

# UVIC.CA/MSAC

Free drop-in tutoring for 100- and 200-level mathematics and statistics.

A friendly and supportive collaborative study space.

Visit our website for schedules and resources!

# LTSI: STUDENT ACADEMIC SUCCESS

INTRODUCING

A website for University of Victoria students that supports the development of learning skills and habits for academic success.

Learning and Teaching  
Support and Innovation

# CENTRE FOR ACADEMIC COMMUNICATION

- Planning for a successful term by understanding academic expectations and time management
- Writing, reading and speaking for a variety of methods including: posters, blogs, presentations and e-portfolios
- Understanding academic integrity and the ethical values of learning

**Learning Commons, Mearns Centre for Learning –  
McPherson Library: Offices 135 f, i-m**

Engineering and  
Computer Science

# Welcome to the Faculty of Engineering and Computer Science

**LeAnne Golinsky and  
David Clark**

New Student Welcome 2024

# Faculty of Engineering and Computer Science Degree Programs

BSc	Computer Science *Data Science
BEng	Biomedical Engineering Computer Engineering Civil Engineering Electrical Engineering Mechanical Engineering
BSEng	Software Engineering

# WHAT IS ADVISING?

- Program planning & advice
- Registration questions
- Program declarations
- Workload / Success help
- Academic & illness issues
- Campus referrals

because there are  
some questions that even  
GOOGLE can't answer.

# NOT SURE WHERE TO GO?

Start at the Engineering Undergraduate Office – EOW 206

[engr@uvic.ca](mailto:engr@uvic.ca)

- General questions and directions
- Access to other advisors for programs
  
- **Mechanical, Software** – Belinda de Jong
- **Biomedical, Computer, Civil, Electrical** – Alejandra Montenegro
- **Prospective CSC students, Data Science, Undeclared** – Jeanette DeLong
- **BEng/BSEng admissions, Undeclared** – LeAnne Golinsky
- **1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> year CSC students** – David Clark
- **4<sup>th</sup> year, second degree** – Irene Statham
- **Front line advising** – Mimi, Marika and Tracy

# Resources for Success

Math Assistance Centre	Blend of drop-in and collaborative sessions Two locations – ELL and Library
Centre for Academic Communication	Academic writing, critical reading, presentation and speaking skills – see the CAC website for details
Learning and Teaching Support and Innovation (LTSI)	All things learning and technology! – technical support with course platforms. See Student portal on LTSI website
Learning Strategies Program	UVIC Learn Anywhere, Learning Strategies program, meet with a Learning Strategist
Chemistry	Meet with the instructor
Physics	Room 129 Learning Commons - Library
PASS Program – Peer Advising	ECS 253 – drop-in/booked app., ecspass@uvic.ca

# ADJUSTING FIRST YEAR SCHEDULES

- Reducing course load is fine! ENGR - Do 1<sup>st</sup> year over 3 terms; CSC flexible schedule
- Slows things down – time for other things!
- Finish 1<sup>st</sup> year by August instead of April
  - Some courses in Summer session
- Interested? There is still time to change....

# UVic GPA

- You are probably familiar with % grades
- At UVic, your official grades are reported on your transcript as Letter Grades
- Letter grades have a 'grade point value'
- Your GPA determines your academic standing

<https://www.uvic.ca/registrar/assets/docs/ot-legend.pdf>

UVIC Letter	Points
A+	9
A	8
A-	7
B+	6
B	5
B-	4
C+	3
C	2
D	1
F	0
N	0

# Your GPA matters – Academic “Standing”

- Your GPA is reviewed twice a year
  - Winter – **September – April**
  - Summer – **May – August**
- Good Standing – 2.0 or better
- Probation – Less than 2.0
- Required to withdraw – unsuccessful probation period
- Acknowledge early warning signs. Come talk to us. We can help!

# Program Declarations

- **Engineering**
  - Rank your program choice for 2<sup>nd</sup> year on our website in February
  - Minimum requirements – 2<sup>nd</sup> year standing, C+ average and no grades less than C
  - Competitive averages may be required
  - ALL program requirements are considered
  - Submit your program rankings by: April 30<sup>th</sup>
  - Decisions by: May 31<sup>st</sup>
- **Computer Science**
  - After successful completion of CSC 115 (or 116) and Math 122
  - All required CSC, MATH, SENG, STAT and ENGL courses must have minimum grades of C
  - Declare after completion of Year 2, there is a form!
  - Co-op is separate program, if you want CSC Co-op program you have to apply, see your program advisor.

# 2<sup>nd</sup> year...and beyond!

Admitted to the 2<sup>nd</sup> year of your program?

- Consider your specialization or options
- Consult your advisor

# I want to drop a course

September 17 <sup>th</sup>	100% drop deadline	100% of tuition back for course(s) dropped on or before this date
October 8 <sup>th</sup>	50% drop deadline	50% of tuition back for course(s) dropped on or before this date
October 31 <sup>st</sup>	Academic drop deadline	No tuition back, but won't fail the course

Results of assignments, labs, midterm unsatisfactory?

Talk to your advisor!

Use feedback to make the right decisions for you!

# What can I do if...

...I am ill, get in an accident,  
something happens in my family

1. Consult immediately with  
Counselling Services, Health  
Services or another  
health professional

2. See your Advisor

# Learning and Personal Supports

## [Student health in the Health and Wellness Building \(near CARSA\)](#)

- Medical
- Counselling
- Spiritual
- Support Connect – free, confidential mental health support 24/7

## [Centre for Accessible Learning \(CAL\)](#)

- Adaptive/Assistance technologies
- Academic accommodations

# Engineering and Computer Science Brightspace Advising Site

- Will show up in your **Brightspace dashboard**.
- Contains program planning information, other resources, appointment booking information, forms and more.

# Co-operative Education

&

Work Experience

# Engineering & Computer Science Co-op Program

- Leo Spalteholz

# Co-operative education at UVic

## What is co-op?

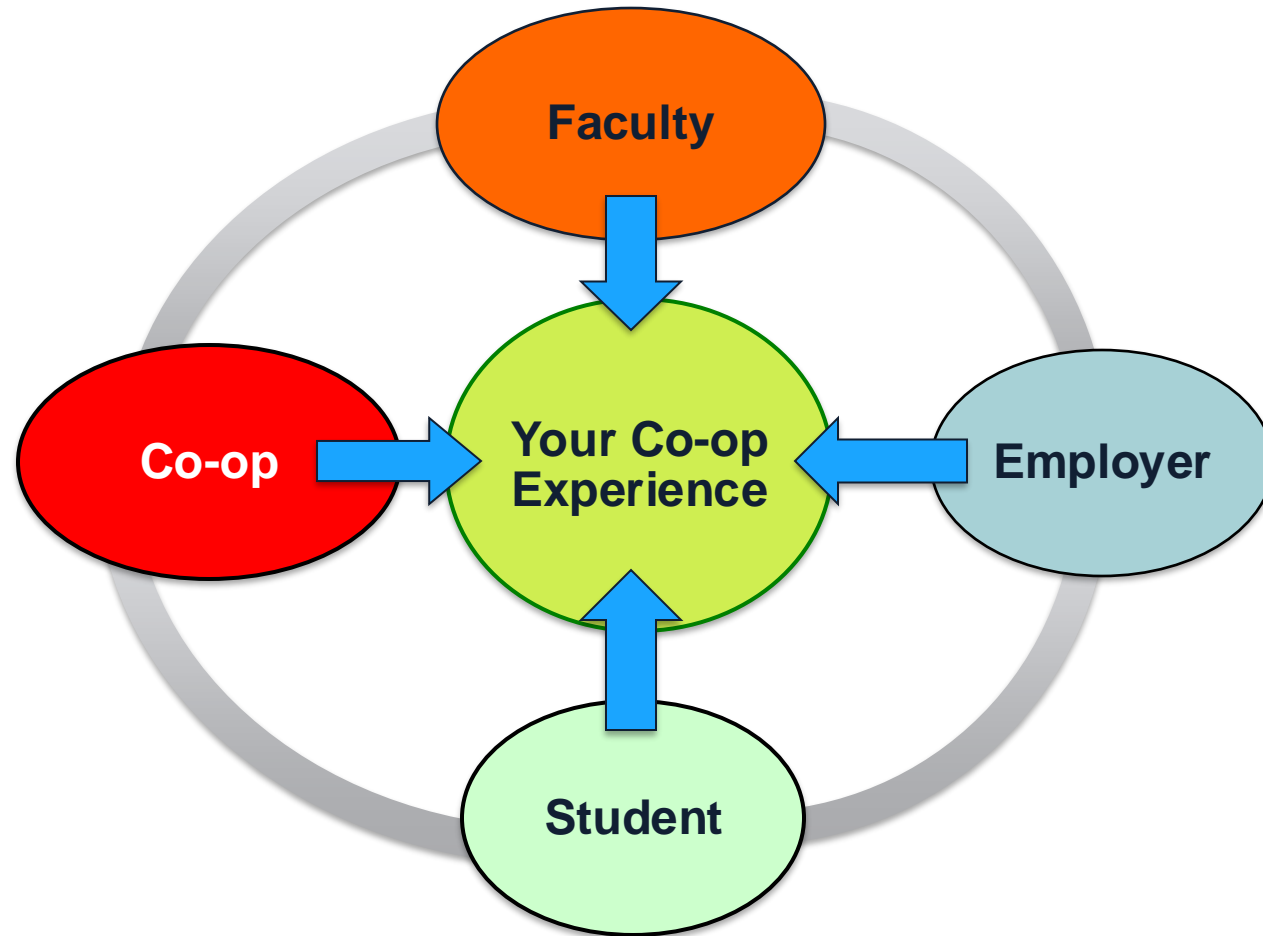

- **Alternate** class terms with paid work terms
- Gain **hands-on experience** in engineering/computer science
- Discover **what you love to do** and **what you're great at** by putting your knowledge, skills and abilities to work.
- Learn **what the world needs** through hands-on experience
- **Try different career options** (and get paid!)

# tl;dl

**Engineering students: pay attention in ENGR130, it has everything you need to know about co-op to start**

**Computer science students: sign up to co-op in your second year.**

# Integrating Work Terms with Academics – it's a Co-operative Partnership

# Computer Science

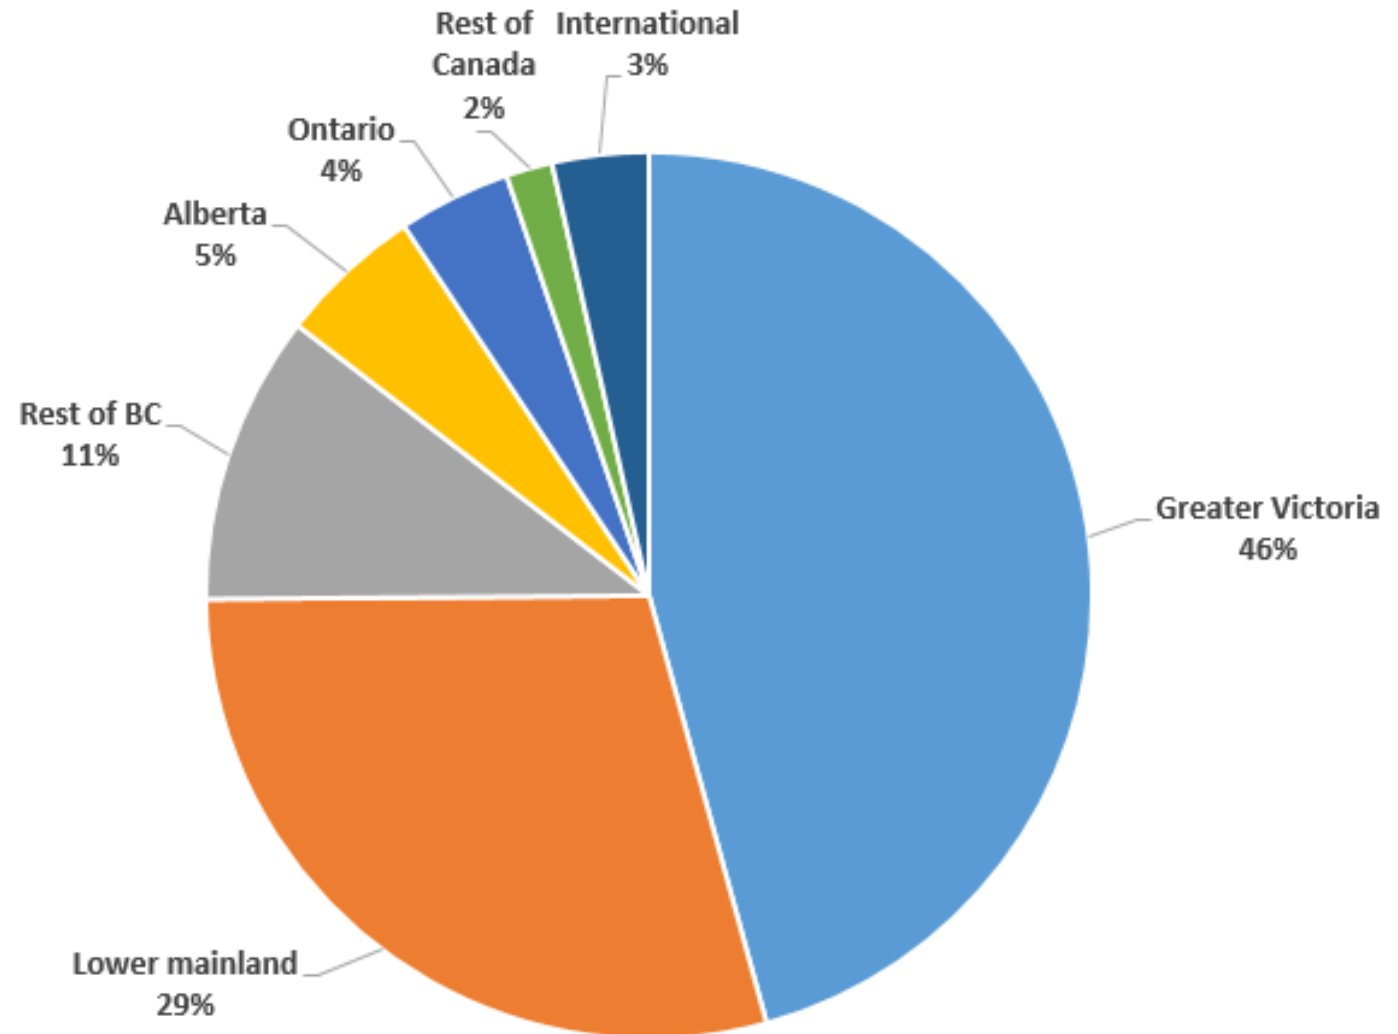

- **Apply to co-op** in your second year (applications accepted Sep and Jan)
- There are grade requirements. Search “UVic CSC co-op”
- Will complete **1-4 four-month work terms**

# Engineering

- **Automatically enrolled** in Co-op when admitted to engineering.
- Will complete **4 four-month work terms** as part of your B.Eng / B.SEng program

# A few facts & figures from last year ...

- 2190 ECS students on work terms
- 3691 co-op jobs posted in our co-op portal
- Avg salary: \$3934/month

# Everyone takes a different path

A  
fulfilling  
career

**It's OK**  
We're here to help

# We're here to help

## MEET *the* COORDINATORS

**Ash Senini**  
Biomedical Engineering /  
Software Engineering  
(student # ends in 0-4)

**Kelly Stegman**  
Civil & Electrical Engineering  
(student # ends in 0-3)

**Leo Spalteholz**  
Civil Engineering  
(student # ends in 4-9)

**Monty Raisinghani**  
Computer Engineering /  
Electrical Engineering  
(student # ends in 4-9)

**Calvin Tripp**  
Mechanical Engineering  
(student # ends in 0-4)

**Susan Fiddler**  
Mechanical Engineering  
(student # ends in 5-9)

**Wendy Beairsto**  
Graduate Studies &  
Engineering Undeclared

**David Woodward**  
Applied Data Science  
(MADS)

**Cheryl Beaumont**  
Co-op Coordinator -  
Vancouver

**Sheryl Thompson**  
Computer Science  
(student # ends in 0-4)

**Mostafa Rahimpour**  
Computer Science  
(student # ends in 5-9)

**Imen Bourguiba**  
Software Engineering  
(student # ends in 5-9)  
  
Master of Engineering in  
Telecommunications and  
Information Security (MTIS)

# We're here to help

Also:

- Employer info sessions
- Career fairs
- Networking events
- Skills workshops
- Employer in residence
- Interview practice
- Etc, keep an eye out for the Co-op Events email

## MEET *the* COORDINATORS
