

YEAR 2 TRANSFER PLANNER

Bachelor of Engineering (BEng) or Bachelor of Software Engineering (BSEng)

(Effective September 2024)

This worksheet is for **PLANNING PURPOSES ONLY**.

In the event of any discrepancy, the academic calendar (www.uvic.ca/calendar) should be considered the authority.

IMPORTANT INFORMATION:

- This planner is intended for **current** UVic students targeting **Year 2 admission** directly into a BEng or BSEng declared program.
- Students enrolled at another post-secondary institution should inquire if their institution offers a transferrable program to UVIC's engineering programs and/or consult with our transfer admission requirements as published in the UVIC Calendar [Faculty of Engineering and Computer Science: Requirements](#)
- The BEng and BSEng programs have a **singular entry point** for transfer applicants, that being September.
- The minimum number of units of **relevant and transferrable** courses is **12.0** to qualify for Year 2 admission.
- The minimum GPA required for transfer admission is **3.0** (C+ average on UVic's 9.0 scale) across all **relevant and transferrable** courses.
- No individual course grade below a C in relevant and transferrable courses will be accepted.** Should a course grade be below a C, the course must be repeated with a grade of C or above prior to admission.
- All applicants must meet admission requirements published in UVIC Calendar [Faculty of Engineering and Computer Science: Requirements](#)
- Existing UVIC students can apply for transfer using My UVIC Application (https://www.uvic.ca/BAN1P/bzsklogn.p_display_login)
