

## ELECTIVE SUBSTITUTION APPROVAL FORM

BME students may take courses outside the list of approved Biological Science, Design Technical, and Technical electives, on the following basis:

- availability of approved courses (required and electives) during the term is limited;
- requirements related to accreditation are met;
- approval is granted by the Program Director.

To request approval, please complete this form and send to the Program Coordinator at [bme.coord@uvic.ca](mailto:bme.coord@uvic.ca). If requesting approval for a course outside of the Faculty of Engineering and Computer Science (ie BIOL, BIOC, CHEM, EPHE, etc), please include a course outline.
