### Teachable subject area: Music

#### The UVic Music Education Experience

Admission with a music teaching area requires UVic's Bachelor of Music degree with a major in music education (secondary) or an equivalent degree. The major in secondary music education is unique; therefore, if you've completed a BMus elsewhere or a different music major from UVic, be prepared to take additional music education and music courses at UVic before applying for Secondary PDPP admission. It may take two or more academic years to complete the necessary courses.

**All of the UVic courses listed in Sections A and B as well as 3 units of approved English are required for entry with the music teaching area.** If you believe you've completed equivalent courses elsewhere, please list them in the applicable section. After you've completed filling out this form, consult a Faculty of Education Academic Adviser. Please provide the adviser with a copy of your transcript(s) and descriptions of any courses you've listed as 'equivalent' below. **The Adviser will consult with Faculty of Education Music Education Adviser Dr. Anita Prest and then notify you regarding the review outcome.**

Prior to registration in courses, you should contact the School of Music for registration assistance in reserved course sections. Registration approval will depend on the availability of seats after Bachelor of Music program students register.

**An admission interview will be scheduled by the School of Music in the spring term of the first year of music education courses.** You must successfully pass this interview to be eligible to continue in the required music courses and apply for entry to the Secondary BEd Post-Degree Professional Program with a music teachable subject area.

Please indicate if you plan to apply to the Secondary PDPP with a  **choral emphasis** or  **instrumental emphasis**.

**See page 2 for course requirements. See page 3 for additional details.**

**Note:** Applicants enrolled in UVic's Bachelor of Music degree with a major in music education (secondary) will automatically satisfy the following Secondary PDPP course requirements within their degree program:
