### Program admission requirements

- 1. Admissibility to the university. Undergraduate Admissions Services determines eligibility for admission to UVic.
- 2. An acceptable undergraduate Bachelor's degree recognized by Undergraduate Admissions Services.
- 3. 3 units of approved English literature (or English literature and academic composition).
- 4. Demonstrated competency in written English (grade requirement; see page two).
- 5. See the three grade point average (GPA) requirements described on page two.
- 6. Approved academic studies in one or two teachable subjects relevant to the BC curriculum. A list of available subjects is provided on the website below.
- 7. Applicants must satisfy the experience requirement described on the program website below. Eligible applicants may also be invited to attend an interview.
- 8. For current <u>applicant selection criteria</u>, please see the program website below. This is subject to change for future intakes; please see the program website updated annually each fall for the upcoming intake.

### → In the fall, go to the program website for application instructions and information for following year's September intake:

#### Notes

- Admission requirements are subject to change for future intakes. Please watch for updates on the program website linked above.
- A 1.5-unit course (equivalent to 3-4 credits at most institutions) meets for at least 3 hours per week for 13 weeks (one term).
- At UVic, 'upper-level' refers to 300 and/or 400-level courses normally taken in third and fourth year after introductory studies.

#### Teachable subject area: Physics

#### Courses completed 10 or more years ago must be reviewed for currency. Currency review required? Ves No

Mathematics or logic:       Accepted: UVic's MATH (100 or 102 or 109), 101, 151, Stats (from a Math Dept), or equivalent course taken elsewhere.       1.5         Not accepted: UVic's MATH 120, 161, 162, 242, 360 or similar course topics.       Astronomy, biology, chemistry or earth & ocean science (not physical geog.)       1.5         At least one course' in at least <u>4 of the following 5 areas</u> must be included.
