

Personal Statement

This document must be completed electronically. Submission of this document with your application to the MA Counselling Psychology program constitutes your acknowledgement that the information you provided is true and accurate.

Please complete all prompts unless indicated as optional. Responses must fit within the set textboxes for each question.

Indicate why you want to enter a graduate counselling psychology program.

Tell us about an interpersonal conflict you experienced and how you dealt with it.

Explain what role you see personal change playing in your education and professional identity as a counsellor.

What does the word belonging mean to you and what role does it play in your professional education and practice?

In your previous work/volunteer experience, how did you support people in showing up as their authentic selves?

Is there anything else that you want the counselling psychology faculty to know about you or your application? (Optional)
