

## **Research Statement**

This document must be completed electronically. Submission of this document with your application to the MA Counselling Psychology program constitutes your acknowledgement that the information you provided is true and accurate. Responses must fit within the set textboxes for each question.

**Of the [counselling psychology faculty](#), who are you interested in working with?**

**Why are you interested in working with the faculty you have identified?**

**What experience in research do you have?**

**To demonstrate your research potential, create a 1-page research proposal based on your interest and at least one of the programs of research of the faculty you identified. Address the following components: (a) background context, (b) research aims, (c) research questions, (d) proposed method, and (e) significance of the research.**
