PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	Emergency Electrical Outage - Engineering Lab B Wing Second Floor
Location impacted:	Engineering Lab B Wing, Second Floor
Description:	<p>An electrical feeder to a panel serving the second floor of ELW B Wing has been severed around 12:45 this afternoon, cutting power to select areas on the first floor and significant areas of the second floor of the ELW B Wing.</p> <p>Crews are currently working to make repairs to this electrical service.</p> <p>We will be reaching out again once power is restored to this area.</p>
Time frame:	February 9, 2024
