Facilities Notice

Title: Building Heat and Domestic Hot Water Shutdown

Location: Administrative Services Building and Continuing Studies Building

Description: Facilities Management Mechanical Shop will be working on the district heating system affecting the above noted buildings. This work is required to connect the CARSA Building to the district heating system, thus resulting in no heat or hot water to these buildings while work is underway.

Time frame: Friday, March 13, 2015 from 4:00 PM to Sunday, March 15, 2015 4:00 PM

Facilities Management contact: Nazir Jessa, Consulting Project Coordinator
