Facilities Notice

Title: Air Handling Unit Shutdown – Second Floor Labs and Room 343

Location: Elliott Building

Description: Facilities Management will be shutting down the supply and exhaust air handling units that service the second floor labs in the Elliott Building. This work will temporarily affect all fume hoods and ventilation systems on the second floor and Room 343 of the Elliott Building for the duration of the work.

Fume hoods advisory:

All staff and students are advised not to use any fume hoods on the second floor or room 343 of the Elliott Building while these units are being serviced.

Time frame: Friday, September 4, 2015 to Tuesday, September 8, 2015 (end of day)
