Title: Hazardous Construction Waste Removal

Location: Elliott Building Loading Dock

Description: In order to facilitate the removal of construction waste from the Elliott Lab Renovation Project, the contractor will be putting a dumpster in the basement loading dock. It is advised that staff and students use caution around this loading bay while the waste is being removed.

Note: Due to the size of the bin, the loading dock will not be available while this work is underway.

Time frame: Monday September 28, 2015 at 5:00 p.m. to
Tuesday, September 29, 2015 at 4:00 p.m.
