Facilities Notice

Title: Mechanical Shutdown

Location: Craigdarroch Office Building

Description: Facilities Management Mechanical shop is working with Aral Construction to remove ducting containing asbestos in the Craigdarroch Office Building. This will require shutting down the supply and return air on the 2nd floor of the building.

Time frame: Friday, October 23, 2015 from 10:00 a.m. to 11:00 a.m.

Facilities Management contact: Larry Wilkinson, Project Officer

Email address: larryw@uvic.ca

Phone: 1-250-721-7597
