Facilities Notice

Title: Mechanical Repairs – Ventilation Shutdown

Location: Elliott Building

Description: Facilities Management Mechanical and Electrical Shops will be working with the contractor working on the Elliot Labs Renovations Project to make changes to the ventilation systems affecting rooms 338 and 339.

Note: that the second floor lab ventilation systems continue to be shut down as well.

Fume hoods advisory:

All staff and students are advised not to use any fume hoods in room 338 or 339 or any of the second floor labs previously noted while repairs are underway.

Time frame: Thursday, November 12, 2015 from 12:30 pm to late Sunday evening.
