Facilities Notice

Title: Gas Meter Maintenance

Location: Elliott Building

Description: Be advised that Fortis Gas will be doing maintenance on the gas meter. During this maintenance, there may be some gas released into the air. From an awareness perspective, you may want to notify building occupants they may smell natural gas but there is **no cause for alarm**. During this work, there will be no interruption to the natural gas service for the building.

Time frame: Monday, November 2, 2015 from 10:30 a.m. to 1:00 p.m. (approximately)

Facilities Management contact: Paul Courville, Plumbing Shop Supervisor
