Title: Domestic Hot Water Tank Replacement

Location: Continuing Studies Building

Description: The domestic hot water tank, which provides hot water to the sinks throughout the building, requires replacing. Facilities Management will be replacing this tank on Friday. These repairs will affect all domestic hot water to the entire building for the day. It is not anticipated that the cold water and water for the toilets will be affected.

Time frame: Friday, November 27, 2015 from 8:00 AM to 3:00 PM
