Facilities Notice

Title: Campus Security Building – Foundation Investigation

Location: Campus Security Building – North and West Parking Lot
(Key Map Attached)

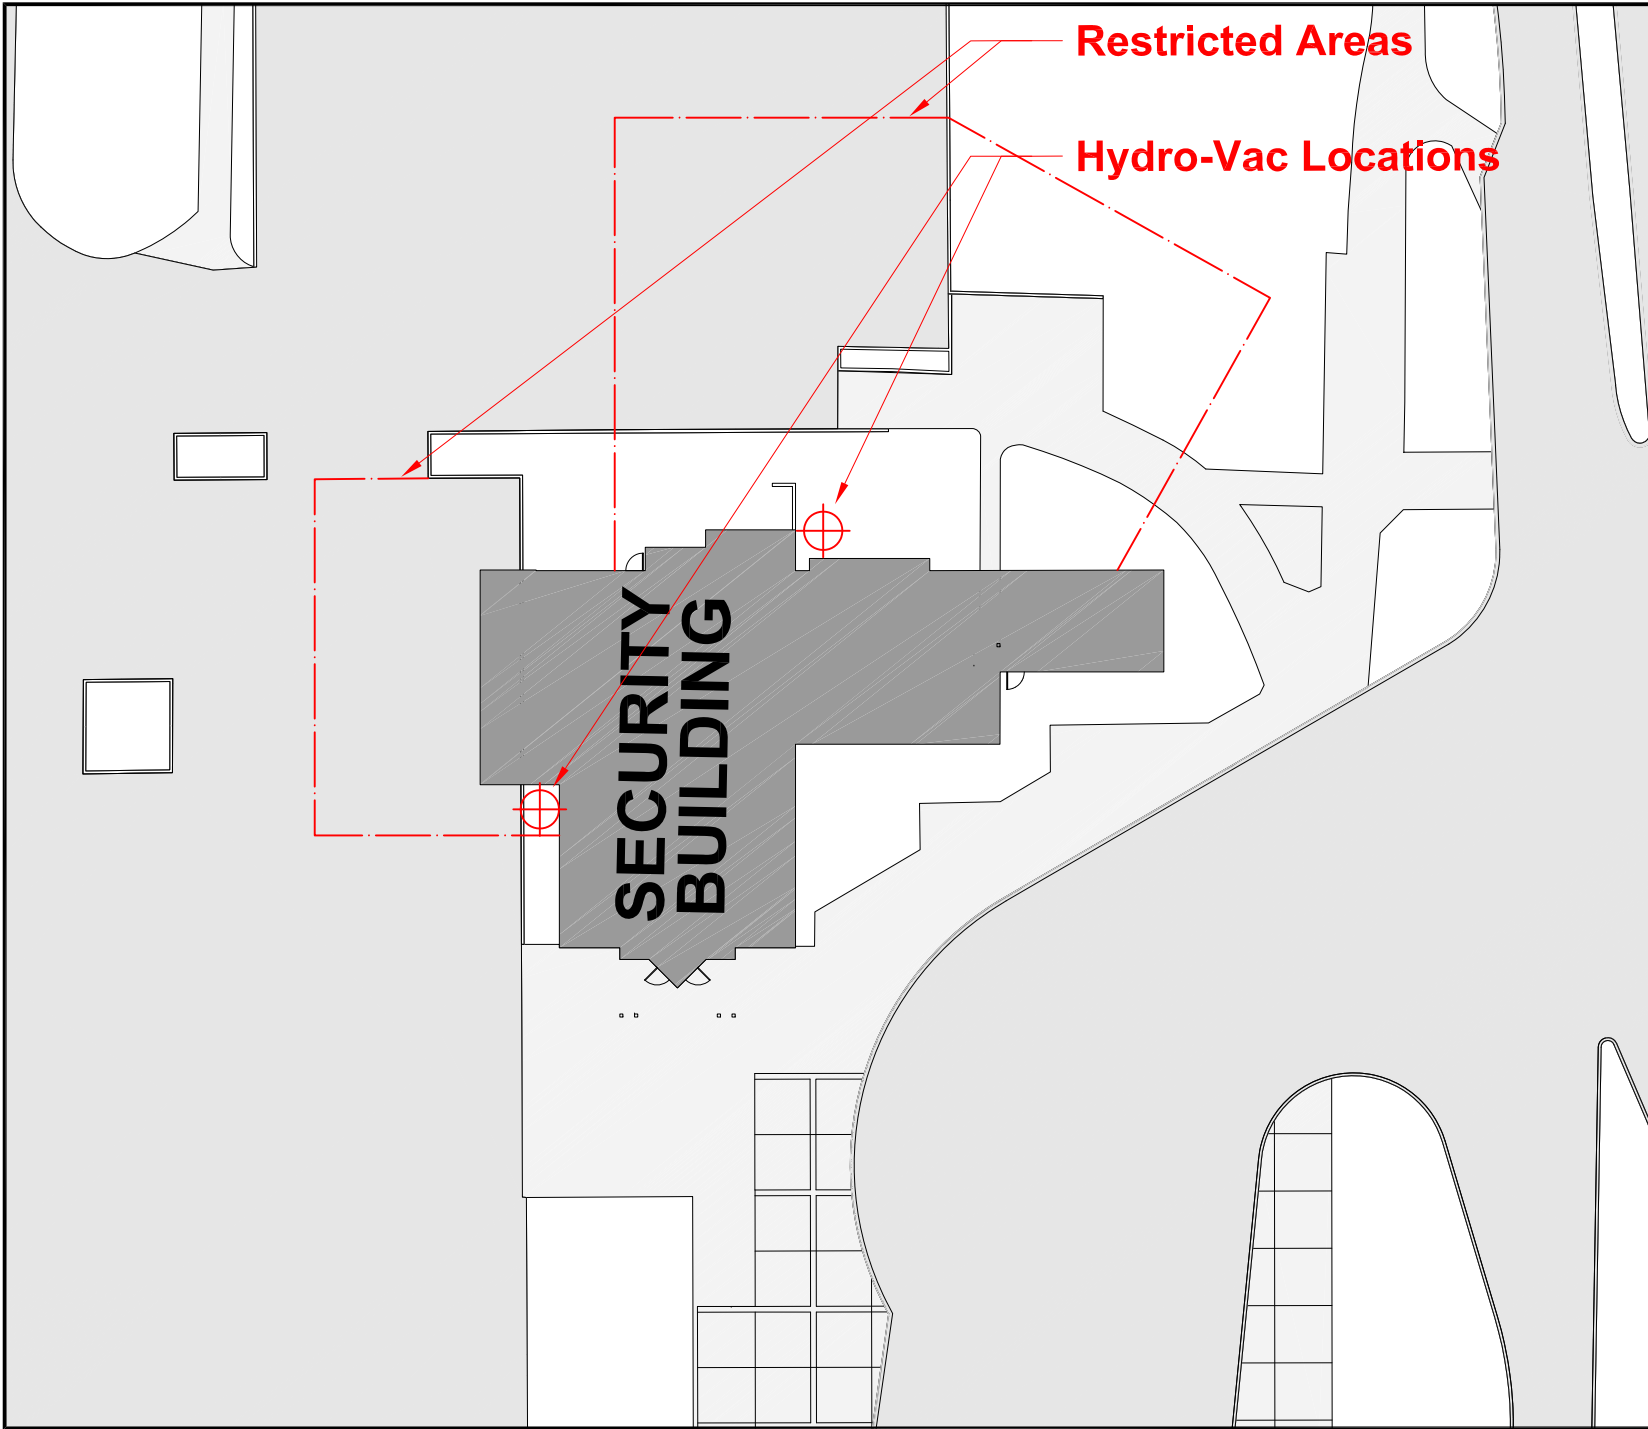

Description: Facilities Management and Thurber Engineering Ltd. will be bringing in a hydro-vac rig for investigation work at the Campus Security Building. This work will require the specified areas to be cleared of any cars or encumbrances. To provide an additional measure of safety for the campus population, temporary lane closures will be implemented.

Time frame: Thursday, April 27, 2017 from 9:00 a.m. – 1:00 p.m.

Facilities Management contact: Trevor Floer, Senior Project Manager
