## **Facilities Notice**

**Title:** Renovations to Research Labs COR A062 through A065

**Location:** COR A062, A063, A064, A065

**Description:** The Department of Psychology is renovating COR A062 through A065 to become more functional lab space for teaching and observation. The renovation includes a reconfiguration and updated finishes.

The project team has met with occupants of adjacent spaces and has scheduled for noise restriction requests.

**Time frame:** June 5th through June 30th, 2017

**Facilities Management contact:** Jay Timothy, Project Manager
