

Facilities Notice

Title: Centennial Stadium – Running Track Surface Replacement

Location: Centennial Stadium

Description: Facilities Management and contractors will be repairing and replacing the surface of the running track at the Centennial Stadium. This work requires all personnel and vehicles to stay off the track for the duration of the project. If it is absolutely necessary to cross the track, please advise the Contractor Playteck, and lay down protective mats on the track prior to driving across the track. Please note that when the project is complete, all vehicles crossing the track will be required to lay down protective mats, prior to crossing the track.

Time frame: Friday, July 28th – Thursday, August, 31st, 2017

Facilities Management contact: Nazir Jessa, Consulting Project Manager
