## Facilities Notice

**Title:** Diesel Tank and Concrete Removal -  
Petch Building

**Location:** Generator Well outside PCH 047a - North of Petch Building

**Description:** Facilities Management and Kinetic Construction Ltd. will be removing the diesel generator and the concrete walls of the generator well outside PCH 047a between 7:00am and 9:00am on Wednesday September 20<sup>th</sup>. A crane and bin truck will be positioned on the north-side of the breezeway. Traffic control measures will be in place for the duration of the work, redirecting pedestrians away from the crane lift toward the entrances in the center of Petch Building.

**Time frame:** Wednesday, September 20, 2017 – 7:00 am – 9:00 am

**Facilities Management contact:** David Hill, Senior Project Manager  
**Secondary contact:** Scott Kingham, Senior Project Manager
