Facilities Notice

Title: 17-02913 – MAC D015/D017 – Science Venture Reno and Signage

Location: MacLaurin A-Wing Basement Level

Description: Facilities Management together with Brenric Construction, Island Flooring and FMGT Shops will be renovating D015/D017 including installing carpets, whiteboards, miscellaneous carpentry, signage changes in the corridor and touch up patching and painting relative to the signage changes and moving furniture. This should be relatively quite, non-disruptive work.

Time frame: November 21, 2017 through January 30th, 2017

Facilities Management contact: Kim Frechette, Project Manager
