

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Fraser Building Interior Concrete Work

Location: Fraser Building

Description: Facilities Management and Chandos Construction will be delivering and placing concrete for the new End of Trip facilities.

This work includes transferring the concrete from just outside the main entry through the lobby into the construction space via wheelbarrows.

The work should take approximately an hour and a half.

We apologize for the inconvenience.

Time frame: Thursday April 6, 2023, 10:00 am to 11:30 am
