

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Residence Cluster Housing – Kitchen Range Hood Replacements

Location: Residence Cluster Housing – CL 46 through CL 59

Description: Facilities Management and Belltech Electrical will be replacing kitchen range hood exhaust units in Cluster Housing during the months of May and June. Specific scheduling of the replacements have been arranged with Residence Services. We're sorry for any inconvenience this project may cause.

Time frame: May 1 to June 30, 2023 (approximately)
