Title:	Engineering Expansion Project – ECS South Entry Closure
Location:	Engineering/Computer Science Building (ECS) South
Description:	<p>Beginning January 2024, the south entry of ECS will be closed.</p> <p>In preparation for ECSE construction site mobilization in January, over the holiday break Bird Construction will begin constructing a temporary wall at the interior south entry of ECS and a temporary exit stair and exit path at the exterior ECS southwest corner. This work is in order to facilitate temporary entry and egress for ECS required for the duration of the Engineering Expansion project.</p> <p>New exit signage will be in place at the start of the January 2024 term directing building occupants to use the north ECS entry. Emergency exiting at the south will be provided via a new temporary exit stair and path from the existing south stairwell. Accessible building entry and exit will be at the north of ECS.</p> <p><i>Note: Information on the Engineering Expansion project can be found at www.uvic.ca/engineeringexpansion</i></p>
Time frame:	Commencing Thursday, December 21, 2023
