

FACILITIES MANAGEMENT

Saunders Building

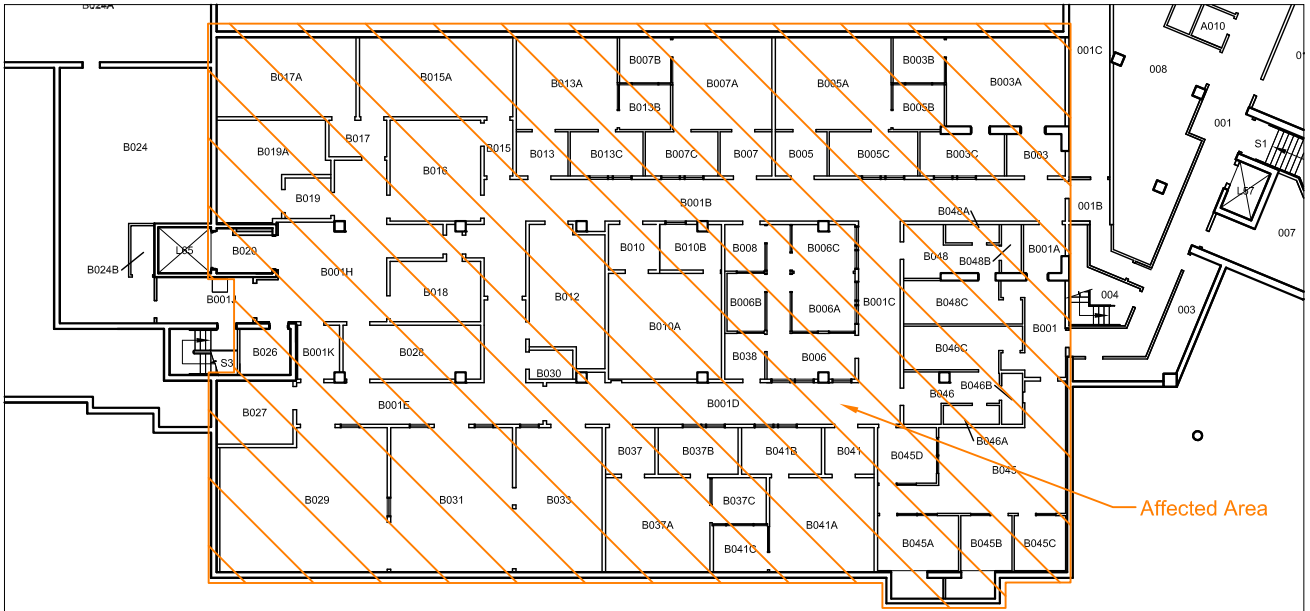

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	Bob Wright Centre – HVAC Equipment Shutdown
Location:	Bob Wright Centre (BWC) B-Wing Floor 0 and Roof
Description:	<p>Facilities Management, AME Consulting and Aral Construction Ltd. are working on upgrades to the HVAC and humidity controls system in the Bob Wright Centre to provide more control and efficiency to B-Wing Floor 0.</p> <p>A shutdown of the HVAC equipment (humidifier and air handler) will be required for two days, each for eight hours. Please see the attached drawing for the work area and area affected by this shutdown.</p> <p>This shutdown will allow the contractor to install the new humidifier safely into the air handling unit. As a backup for the affected area, UVic Facilities Management (Project Management Services and Maintenance & Operations) have provided portable humidifiers until the new work is completed.</p> <p>We apologize for any inconvenience.</p>
Time frame:	<p>Wednesday, July 12 and Thursday, July 13, 2023, 10:30am-6:30pm</p> <p>Note: Overnight on July 12, 2023 the humidifiers will not be working but the air handler will, so you may need to utilize the portable humidifiers.</p>
