

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

- Title:** 22-05384 Jamie Cassels Centre (JCC) – Vestibule Door Upgrades
- Locations:** Jamie Cassels Centre (JCC) Building – Main Entrance
- Description:** Facilities Management working with Aral Construction (2014) Ltd will be completing the JCC main entrance vestibule door upgrades. The contract scope includes the removal and replacement of the existing double sliding doors, glazing walls, vestibule ceiling, lighting and fire sprinkler systems. This work will be noisy from time to time and maybe distracting during the project execution.
- Please note: once the project commences perimeter fencing and building hoarding will be in place and there will be no main door access to the building until the final inspections are complete permitting public operation. Two alternate, main floor public entrance doors with ramps, accessibility hardware and automatic openers are available; one adjacent to the work area and one on the west side of the building. Wayfinding signage will be in place to provide direction.
- Sorry for any inconvenience this project may cause as we complete this mandatory upgrade. Please use caution in the lobby area and obey all safety signage.
- Time frame:** July 2, 2024 project start to mid September 2024 approximately.
