PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	Elliott 043b X-Ray Lab Renovations – Electrical Panel Shutdown - Rescheduled
Location:	ELL 043b
Description:	<p>Facilities Management (FMGT) and Aral Construction and Belltech will be shutting down an electrical panel (panel B) in the basement of the Elliott Building.</p> <p>The shutdown will impact lighting and power receptables in Elliott 042, 043, 045 and some corridor lighting. Please power down all equipment in these spaces by the end of the workday on January 18, 2024. Phones do not need to be disconnected. Please note: FMGT does its due diligence in determining what spaces will be impacted but the shutdown however there is a small risk that other spaces may be inadvertently impacted. Please plan your research activities and use of sensitive equipment accordingly.</p> <p>We apologize for the inconvenience and thank you for your patience.</p>
Time frame:	Friday, January 19, 2024, 8:00 am to 9:00 am approximately
