Title: 20-04528 Engineering Lab Wing Design Studio Lab - Crane

Location impacted: Engineering Lab Wing

Description: Facilities Management and Aral Construction are currently working on the creation of new design studio lab space in the former boiler room in ELW.

In support of this work, a crane truck will be onsite in the alleyway adjacent to ELW, next Thursday morning.

This truck may produce additional noise due to back up alarms, the extension of stabilizing outriggers, and the unloading of large steel members. Please respect any safety instructions or requests for space given by onsite personnel.

Time frame: Thursday, January 25, 2024, from 7:30 am – noon
