

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Fraser Building – South Entrance Closure

Location: Fraser Building

Description: The Fraser Building south entrance and scaffold walkway will be closed to facilitate construction activities. This closure is required to maintain safety as the wall panels are delivered, hoisted, and fastened to the NCIL structure.

The Fraser Building main entrance will remain open during this time.

Please follow the directions of signage and construction personnel.

Time frame: April 22, 2024 – May 3, 2024
