Title:	Engineering Expansion Project Overhead Work between ECS and ELW
Location:	Level 1 Breezeway Between ECS and ELW
Description:	<p>In support of the Engineering Expansion Project, Bird Construction and FMGT Project Management Services will be doing some overhead work to bring cabling from the north side of ECS/ELW breezeway connection through to the new ECSE building site.</p> <p>There will be a scissor lift located in the Level 1 breezeway between ECS and ELW to support this work. The Level 1 breezeway will be available as an EMERGENCY EXIT ONLY while this work is underway. Signage will be in place at ECS and ELW breezeway doors. Please follow instructions of any safety personnel, and signage, and plan an alternate route. Please use the Level 1 breezeway as an access route only in the event of an emergency.</p>
Time frame:	Thurs. Aug. 15, 2024 - Fri. Aug. 30, 2024
