Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	Engineering Expansion Project ELW Stair 5 Exterior Exit EMERGENCY EXIT ONLY
Location:	ELW Building B-Wing
Description:	In support of the Engineering Expansion Project, Bird Construction and FMGT Project Management Services have indicated level 1 exterior exit from Stair 5 in ELW B-Wing as EMERGENCY EXIT ONLY. In an emergency this will provide safe exit into a designated area on the Engineering Expansion construction site with a designated path out of the construction site. This exit currently operates as described through Friday Sept. 27. ELW Stair 5 exit should only be used if the ELW building is in alarm; otherwise alternate exits should be used. See attached map.
Time frame:	Currently in effect until end of day Friday September 27, 2024. (Note: notification will go out when the pathway from ELW Stair 5 exit to the ECS/ELW breezeway is re-instituted).
