Title:	Parking Lot 5 – Geotechnical Investigation
Location:	Parking Lot 5 (Upper and Lower)
Description:	<p>A site geotechnical investigation is scheduled to be undertaken in Parking Lot 5 (see attached map). Work will commence Tuesday October 1, 2024 and end Thursday October 3, 2024, and will involve drilling rigs occupying the parking lot to drill boreholes. Drilling will be undertaken between the hours of 7:00am and 6:00pm daily.</p> <p>Some parking spaces will be unavailable in the parking lot during the drilling work. No interruptions to traffic flow are anticipated and no traffic diversions will be in place.</p> <p>Parking spaces will be blocked off and reserved starting Friday, September 27, 2024.</p>
Time frame:	Tuesday, October 1, 2024 through Thursday, October 3, 2024
