

Facilities Notice

Title: Facility Condition Re-Assessment

Location: Cunningham Building, Medical Sciences Building, Outdoor Aquatic Facility, Engineering Computer Science Building, Mearns/McPherson Library, University Centre, Business and Economics Building, David Turpin Building, and MacLaurin Building.

Description: The Consulting Firm of VFA Canada Corporation has been retained to complete Building Condition Re-Assessments on the above noted buildings.

The consulting team will be reviewing building systems and equipment, and life safety systems. Access to all rooms within the building will be required.

The Building Condition Assessments and resulting Reports will assist the University in taking a longer term view of the present condition of our existing portfolio of the buildings, and that review will inform us as we plan renovations, adaptations, expansions.

Time frame: June 2, 2014 to June 6, 2014

Inspection Dates	Building Name
June 2, 2014	Cunningham Building, Medical Sciences Building, Outdoor Aquatic Facility, Engineering Computer Science Building
June 3, 2014	Mearns/McPherson Library
June 4, 2014	University Centre
June 5, 2014	Business and Economics Building, David Turpin Building
June 6, 2014	MacLaurin Building
