

## Facilities Notice

**Title:** Facility Condition Re-Assessment

**Location:** Administrative Services Building, Bob Wright Centre, Cadboro Commons Building, Campus Security Building, Campus Services Building, Child Care Complex (A&B), Continuing Studies Building, Craigdarroch Office Building, Elliott Building, Engineering Garage, Engineering Office Wing, Enterprise Data Centre 2, Glover Greenhouse Facility, Halpern Centre for Graduate Students, Harry Lou-Poy Child Care Centre, Hut A, Hut B, Hut E, Hut Q, Hut R, Hut S, Hut T, Hut V, Hut Y, Jam Factory/ Water Tower, McKinnon Building, Peterson Health Centre, Saunders Annex, Saunders Complex, Sewage Lift Station, Stadium, Student Union Building, Technology Enterprise Facility, University House 1, University House 2, University House 3, University House 4, and University House Garage.

**Description:** The Consulting Firm of VFA Canada Corporation has been retained to complete Building Condition Re-Assessments on the above noted buildings. The consulting team will be reviewing building systems and equipment, and life safety systems. Access to all rooms within the building will be required.

The Building Condition Assessments and resulting reports will assist the University in taking a longer term view of the present condition of our existing portfolio of the buildings, and that review will inform us as we plan renovations, adaptations, and expansions.

**Time frame:** July 7, 2014 to July 11, 2014

**Facilities Management contact:** Larry Greenhalgh, Functional Systems Administrator

**Email address:** lgreenha@uvic.ca

**Phone:** 250-472-4243

See Facility Condition Re-Assessment schedule below.
