Title: Scheduled Power Outage

Location: University Centre

Description: Facilities Management Electrical shop will be assisting the contractors working on electrical systems in the University Centre under Project 10-9446 - UVC Food Services Renovation. For the safety of workers the power to various electrical panels in the building will be required to be shut down, therefore a planned power outage has been scheduled.

As this power outage may affect various areas throughout the building, we are advising that everyone please power off equipment as you leave the building on Tuesday, June 10, 2014. We recommend electronic equipment, such as personal computers, facsimile machines, electronic and laboratory equipment be unplugged from power receptacles to avoid the risk of damage that could result from voltage fluctuations which may occur during this work.

Please **DO NOT** unplug any telephone sets.

Time frame: Wednesday, June 11, 2014 between 06:00 am and 07:00 am
Approximately 15 – 30 minutes
