Facilities Notice

Title: Air Handling Unit and Fume Hood Exhaust Shutdown – Annual Maintenance

Location: Bob Wright Centre

Description: Facilities Management Mechanical Shop will be replacing the air filters on the Air Handling Units in the Bob Wright Centre. This work will require the Air Handling Units to be shut down temporarily affecting all fume hoods, ventilation, and heating systems within the entire Bob Wright Centre for the duration of the work.

Fume hoods advisory:

All staff and students are advised not to use any fume hoods in the building while these filters are being changed.

Time frame: Saturday, May 16, 2015 between the hours of 7:30 a.m. and 4:00 p.m.
