## Facilities Notice

**Title:** Mechanical Repairs – Ventilation Shutdown

**Location:** Bob Wright Centre

**Description:** Facilities Management Mechanical shop will be working with the contractor who will be making repairs to the roof near the ventilation intake. This work will require the Air Handling Units to be shut down temporarily affecting all fume hoods, ventilation, and heating systems within the entire Bob Wright Centre for the duration of the work, with the **exception** of the Clean Rooms and the Animal Care Rooms.

**Fume hoods advisory:**

All staff and students are advised not to use any fume hoods in the building while these repairs are being changed.

**Time frame:** Monday, August 17, 2015 between the hours of 5:00 a.m. and 10:00 a.m.

**Facilities Management contact:** Ross King, Mechanical Shop Lead Hand
