Facilities Notice

Title: Water Shutdown

Location: Medical Sciences Building

Description: Please be advised that the Facilities Management Plumbing Shop will be working with the contractor replacing the domestic hot water tanks. This will require the water to the Medical Sciences Building to be shut off between 06:00 pm Friday, June 14th and 11:00 pm Sunday, June 15th, 2014. This may also affect the cold water supply to the building. It is anticipated that the water will be turned back on for occupants Monday am.

Time frame: Friday, June 13th, 2014 starting at 06:00 pm through to Sunday, June 15th, 2014 at 11:00 pm.

Facilities Management contact: Paul Courville – Supervisor, Plumbing Shop
