Facilities Notice

Title: Water Shutdown

Location: Petch Building

Description: Be advised that the Facilities Management Plumbing Shop will be installing pressure reducing valves in the Petch Building. This will involve shutting down the water to the entire building during the non-working hours. It is anticipated that the water should be fully functional prior to the normal work day hours of operation.

Time frame: Wednesday, February 18, 2015 between 10:00 p.m. and 6:00 a.m.
(Approximately 6 to 8 hours)
