Bachelor of Child & Youth Care

Early Years Specialization

Join the School of Child and Youth Care to obtain a Bachelor of Child and Youth Care with a Specialization in the Early Years. Our program is flexible and meets the needs of the working professional. All courses, with the exception of one on-site intensive clinical lab course at the University of Victoria, are available through our web-based distance program.

Block Credit

The Early Years Specialization builds on your previous education and experience. If you have already successfully completed an Early Childhood Certificate or Diploma, you **may** be eligible for block credit upon admission to the CYC Degree program. If you have completed an Early Childhood Diploma in BC, you may be able to complete the CYC degree program in approximately two years of full-time study (24 months).

In addition to required courses within the degree program, the Early Years Specialization courses are:

- CYC 380** Practices for Young Children & Families: Historical & Contemporary Perspectives
- CYC 381** Leadership, Advocacy & Policy for the Early Years
- CYC 480** Advanced Applied Capacity Building for the Early Years
- CYC 481** Issues of Assessment & Evaluation with Young Children & Families
- CYC 410** Advanced Supervised Practicum
Must be completed in an Early Years setting

For more information on when these courses are offered, please see:
