Bachelor of Child & Youth Care

The School of Child and Youth Care prepares you to provide holistic and supportive services to enhance the lives of children, youth, families and their communities. For 30 years, our graduates have been making a difference in the lives of young people. Child and Youth Care graduates may choose to work in a wide range of settings:

- child protection/child welfare
- early years
- school-based
- hospital child-life
- disabilities & special needs
- recreation & leadership
- foster care support
- youth justice
- residential care
- child & youth mental health
- substance use

Child and Youth Care students have the choice of doing their courses on-campus, or through web-based distance learning, or a combination of both. All options provide lots of opportunities to participate in a vibrant learning community.

Application Deadline
