**Commitment to Employment Equity**

UVic is committed to upholding the values of equity, diversity, inclusion and human rights in our living, learning and work environments. We know that diversity underpins excellence, and that we all share responsibility for creating an equitable, diverse and inclusive community. In pursuit of our values, we seek members who will work respectfully and constructively with differences and across levels of power.

We actively encourage applications from members of groups with historical and/or current barriers to equity, including, but not limited to,

- First Nations, Métis, and Inuit peoples, and all other Indigenous peoples;
- members of groups that commonly experience discrimination due to race, ancestry, colour, religion and/or spiritual beliefs, or place of origin;
- persons with visible and/or invisible (physical and/or mental) disabilities;
- persons who identify as women; and
- persons of marginalized sexual orientations, gender identities, and gender expressions.

We recognize that many of these identities intersect and that therefore, equity, diversity, and inclusion can be complex. We value the contributions that each person brings, and are committed to ensuring full and equal participation for all in our community.
