PAAS 253:

ACTIVISM IN ASIA

with Thiti Jamkajornkeiat (tjamkajornkeiat@uvic.ca)

During this course you will focus on critical survey of activism and activist movements in Asia. We will be exploring their local, regional and global contexts, including historical contexts such as anti-colonial struggles.

Issues we will address include, but are not limited to: climate change, anti-racism, LGBTQIA+ rights, indigenous rights, digital rights, labour rights, press freedom, participatory governance, corruption and social justice.
