Integrative Intermediate Japanese

PAAS 338 を無事に終わった生徒達の為の授業で、基本的な目的は言語能力をもっと強めることです。その為を実行する狙いで、いろんな材料を使って、日常日本語を読んで、作文を書いて、授業には他の生徒達と相談して、プロジェクトを作って発表する授業になります。日本語を楽しく勉強しましょう！

The fundamental purpose of this course is to strengthen the language skills of those students who have completed PAAS 338 without incident. To realize this purpose, we will use a variety of materials, reading things in everyday Japanese, writing compositions, discussing with other students, and making presentations. Let's have fun studying Japanese!
