

# Pacific and Asian Studies

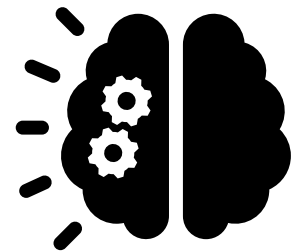

PAAS 400 Advanced Research Seminar

# Advanced Research Seminar

Sujin Lee  
sujinl@uvic.ca

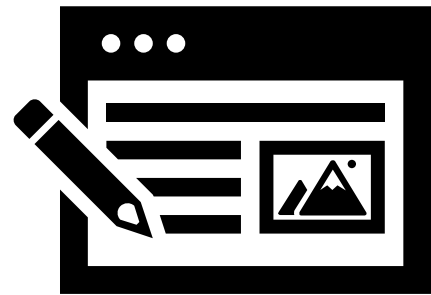

Learning Objectives:

- To explore various research methodologies and theoretical frameworks
- To conduct self-guided research and write an original paper

# Advanced Research Seminar

Welcome to the Advanced Research Seminar! This course is designed to propel your research skills to new heights in the fascinating realm of Asian Studies. Join us as we explore various research methodologies and theoretical frameworks, delving into the complexities of conducting advanced research within this dynamic field. Engage in lively discussions, conduct self-guided research and write an original paper based on your findings. By the end of this seminar, you will have honed your critical thinking abilities, deepened your perspectives on Asian societies and cultures, and gained valuable research experience.

# Advanced Research Seminar
