## SANDWICH BOARD

- Total Visible Area: 23.5" x 31.5"
- Please be sure to include a 1/4" bleed to all sides of the final artwork

### General Art Guidelines:

- CMYK Color Mode
- Convert any spot colors or overprints to CMYK
- Embed all images and support files
- Image resolution must be a minimum of 150dpi
- All fonts must be converted to curves/outlines
- Do not scale the artboard
- Background images must bleed to the edge of the artboard
- Do not use the spot colors from the template in your artwork as they will not print
