

2024/2025 WORK STUDY PROGRAM

JOB POSTING

JOB TITLE: NURS 3 - Interdisciplinary Course Development Assistant

DEPARTMENT NAME: Exercise, Physical & Health Education (EPHE) and Nursing

CONTACT NAME: David Kennedy and Dzifa Dordunoo

JOB DESCRIPTION:

We are seeking a motivated and detail-oriented student to assist in developing an Interprofessional Education (IPE) course focused on pain management. This course aims to cover the science of pain, incorporating simulated activities to enhance learning. The initial target audience includes students from Nursing, Kinesiology, Clinical Psychology, and potentially Social Work. Key responsibilities include investigating existing IPE initiatives within the EPHE, Nursing, and related departments, liaising with faculty and staff to identify similar courses, and collecting and analyzing data on current learning objectives and outcomes. The student will assist in gathering, designing and developing course materials, participate in meetings, provide administrative support, facilitate communication between departments, and contribute to the writing of reports and project documentation.
