As at the end of March 2022 (fiscal year end), UVRA total assets were as follows:

Coast Capital chequing account	\$ 34,106.76
Coast Capital Term deposits	84,499.97
UVic Fast account	<u>2,612.94</u>
Total assets	<u>\$121,219.67</u>

This was an increase of \$10,631,77 from the previous year end.

During the year membership payments were as follows:

Life memberships \$5,187, and yearly membership payments \$1,250.

Our UVic FAST account declined from \$3,707.67 to \$2,612.94 at the end of the year, with payments for items such as telephone charges, printing, mail services, and our University Club dues.

Sanjit Roy continued to assist us with office work and the presentation of EA events by Zoom. Sanjit is paid on a monthly basis, and his total remuneration this year was \$11,090.

All in all a good financial result for the year, given the ongoing Covid restrictions.

Respectfully submitted:
