

University of Victoria Retirees Association – AGM 2018

Annual Report to the UVRA from the UVRA Representative to the University Club Board

The University Club had a very successful year, thanks to the continued support of its members. The UClub is grateful for the opportunity to promote our events in the *Grey Matters!* newsletter.

The UClub continues to offer UVRA members the first year of membership for free, providing they have not previously been members of the UClub. All UVRA members who are also UClub members enjoy reduced membership fees.

It has been my pleasure to serve as the UVRA representative for the last eight years. It has been an enjoyable experience. I am stepping down. So, I wish my successor the very best.

Respectfully submitted,
David Leeming
