

REPORT ON UVRA VOLUNTEER STAFFING

There are currently 25 volunteers with an expression of interest from another six people. The volunteers are an integral part of the UVRA with duties of opening mail, answering phone calls, entering event registrations and when required, assisting with mail outs or other office duties as required. The UVRA always welcomes new volunteers.

It is a pleasure to work with these individuals some of whom are well over 70 years of age. One would say it is truly an inspiration.
